Together Michael and Tom now oversee the daily operations of the bowling facility, which offers 24 wood lanes for leagues, public bowling, and special events. The local Special Olympics group also practices at Bar-Don. The new owners hope to expand league activity and host some additional tournaments.

Rip's Pub offers a full menu for dine-in or take-out patrons with much more than traditional bowling alley fare.

"We were pleased to provide the Meischeid family financing for their new business venture," said Unity Bank President & CEO James A. Hughes. "Over the years, Bar-Don has become a great venue for community activities and special events. We wish the Meischeids continued success with the business for many years to come."
