Northampton County Park's Reservation System 2024 Fees and Scheduling Changes

By Brittney Waylen

EASTON - County Executive Lamont G. McClure and the Division of Parks & Recreation are pleased to announce that starting today, January 2, 2024, the Parks Reservation System is doubling the selections of pavilion rentals to the public at Louise W. Moore, Wayne A. Grube, and Wy-Hit-Tuk County Parks.

The changes will allow more residents to enjoy our parks and, for the first time, offer lower rates for half-day rentals. The changes will provide half-day rental options for 9 a.m. – 1 p.m. and 2 p.m. – 8 p.m. (sunset). Full-day rentals from 8 a.m. to 8 p.m. are still an option.

“We are pleased to see that upgrades in our reservation system will allow the public to use our park pavilions and enjoy the day with their family and friends. We have had great success with patrons using our park and pavilions with respect and cleanliness. Because of these past occurrences and the need and want for more use of our park pavilions, we are pleased to allow these changes for 2024”, said Bryan S. Cope, Superintendent of Parks & Recreation.

If you are renting a pavilion at Louise W. Moore Park, please note that pavilion numbers have changed from previous years, and the Parks & Recreation Division suggests that you review the pavilion list before you book.

Rentals on the Parks Reservation System are now open for the 2024 Season, which opens on Saturday, April 13th, and closes on Sunday, October 27th. The public can find more information about reserving pavilion rentals on the County website: <https://norcoparks.recdesk.com/Community/Home>.
