The Pennsylvania Higher Education Assistance Agency (PHEAA) is holding a free virtual webinar to assist college-bound students and their families with navigating the financial aid process.

It will be held on Thursday, Jan. 30, from 6:30-7:30 p.m. During the webinar, a PHEAA expert will present information about the financial aid application process, the types of aid available and strategies about affordability to consider before applying for postsecondary school admission.

A question-and-answer session will be held following the hour-long presentation. Register to attend the webinar, which is open to all ages.

## Looking Ahead to the 2025-2026 Legislative Session

By Senator Rosemary Brown

Next week, I will be headed to Harrisburg for one of the first weeks of the 2025-2026 legislative session, and I'm eager to get to work on behalf of our district and the Commonwealth.

This session, I am honored to serve as Majority Chairwoman of the Community, Economic, and Recreational Development Committee and Vice Chair of the Local Government committees. Additionally, I will serve as a member of the Appropriations; Transportation; Judiciary; Consumer Protection and Professional Licensure; and Labor and Industry committees.

I look forward to a productive session focused on promoting fiscal responsibility and common-sense solutions that will benefit our communities and the entire state. Thank you for trusting me to serve as your voice in Harrisburg—I'm ready to get to work!

## Congratulations, Harold!

By Senator Rosemary Brown

Last weekend, Hamlin Fire Company hosted their Installation Dinner, where Doug from our office proudly presented Harold Henneforth with a Senate Citation honoring his incredible 50 years of service to the community. Thank you to all the dedicated members of Hamlin Fire Company for your unwavering commitment to keeping our community safe.
