Veteran Resource Program

By Rep. Joe Emrick

NAZARETH -Pennsylvania is home to more than 700,000 veterans, the fourth largest veteran population in the country. To help address the challenges of homelessness, employment, mental health, addiction and much more, the Pa VETConnect program was launched in 2019. It is maintained by the Pennsylvania Department of Military and Veterans Affairs (DMVA).

PA VETConnect works to determine the needs of veterans and their beneficiaries, find resources that meet those needs, and connect veterans with those resources, regardless of the township, county or region where they reside.

If you or someone you know requires assistance, or would like more information about PA VETConnect or other DMVA programs and services, visit dmva.pa.gov.
