Maple Sugaring Program Heralds Arrival of Spring

By Kathleen Sandt

BUSHKILL, PA- The National Park Service and the Millbrook Village Society will present a maple sugaring demonstration at Millbrook Village in Delaware Water Gap National Recreation Area on Saturday, March 14, from 10 am to 3 pm.

Join park rangers and volunteers as they celebrate the approach of spring with the North American tradition of maple sugaring. American Indians, early settlers, and their descendants all looked forward to collecting and boiling the sap of locally abundant sugar maple trees. Experience this tradition for yourself! Visitors will be able to see and participate in the "sugaring" process from the tree to the table. Sap from Millbrook Village maples will be boiled down in cast iron kettles over an open fire to create maple syrup. Woodstove and outdoor cooking demonstrations will showcase the use of maple products in recipes common during the 1800s.

Admission is free. In case of severe weather, the program will be held on Saturday, March 21. Millbrook Village is in New Jersey at the intersection of Old Mine Road (12 miles north of Interstate 80 from Exit 1 in New Jersey) and Route 602 (seven miles west of Blairstown, New Jersey).

Spring Break Vacation Scams

Despite what the Groundhog says, winter isn't going away anytime soon. That fact has many of us looking for a warm getaway this spring, but beware scammers could be lurking on the other end of that sweetheart

spring break deal. These three tips will help you spot a potential travel scam. First, be wary of any deal that is dramatically lower than what else is available at your destination. Next, verify the legitimacy of online travel sites by looking closely at the web address – scammers often "spoof" legitimate hotels and third party booking sites. Finally, don't trust anyone who requests a wire transfer or prepaid gift card to pay for your getaway – these are the payment forms preferred by today's scammers.

Don't get left out in the cold this spring, be a fraud fighter! If you can spot a scam, you can stop a scam.

Report scams to local law enforcement.

Visit the AARP Fraud Watch Network at www.aarp.org/fraudwatchnetwork or call the AARP Fraud Watch Network Helpline at 1-877-908-3360 to report a scam or get help if you've fallen victim.
