

Lamont G. McClure Named Grand Marshal of the 2025 Parade of Shamrocks by the Celtic Cultural Alliance

By Brittney Waylen

Northampton County, PA – Northampton County is proud to announce that County Executive Lamont G. McClure has been selected as the Grand Marshal for the 2025 Parade of Shamrocks. This festive event, organized by the Celtic Cultural Alliance (CCA), will take place in the streets of Historic Downtown Bethlehem on Saturday, March 15, 2025, at 1:00 PM.

County Executive McClure, a lifelong resident of Pennsylvania, has dedicated much of his career to making a positive impact in his community. He takes great pride in his Irish heritage and has consistently supported the mission of the CCA. In regard to this honor, he stated, "I am truly honored to have been chosen as the Grand Marshal of the Parade of Shamrocks. I can't wait to celebrate with all of you."

The Parade of Shamrocks is a significant cultural event that highlights the rich traditions of the Celtic community.

Join us in celebrating this vibrant event and honoring County Executive Lamont G. McClure as the Grand Marshal. We look forward to seeing everyone in Downtown Bethlehem for a day of fun, culture, and community spirit!

For all media inquiries related to this announcement, please contact Jessica Berger, Deputy Director of Administration at 610-829-6250 or JBerger@norcopa.gov.

FREE Life-Saving Training for the Community – "Stop the Bleed" & Hands-Only CPR

By Mayor Christopher Confalone of East Bangor

Upper Mount Bethel Township, PA – March 2025 – Emergencies can happen anytime, anywhere. Would you know how to respond? The Upper Mount Bethel Township invites residents and businesses to a free, two-hour life-saving training event featuring Hands-Only CPR and "Stop the Bleed" techniques on March 11, 2025, from 6:00 PM – 8:00 PM at the Mount Bethel Volunteer Fire Company (2341 N. Delaware Drive, Mt. Bethel, PA 18343).

This essential training will teach participants how to:

- * Perform Hands-Only CPR to help someone experiencing sudden cardiac arrest
- * Identify life-threatening bleeding and take immediate action
- * Use a tourniquet effectively to stop severe bleeding
- * Apply pressure to wounds to control blood loss

With 70% of out-of-hospital cardiac arrests happening at home, these skills could mean the difference between life and death for a loved one.

No prior experience or certification is required, and there are no age restrictions. However, space is limited, and registration is encouraged.
