Womans History Month

Continued from page 1

Hollywood has created false images about our history and how those false images affect how we look at our own past.

Then, viewers will take a journey through the centuries, from the 1700's to the present, looking at the wide variety of opportunities and obstacles that impacted women's lives, including the legal system, which has played a major role in the lives of women over the centuries. The presenter will be Cheryl Statham, retired Director of Education and Programming at Quiet Valley Living Historical Farm. So, be prepared to rethink what you think you know, and learn a little bit about the much larger, true picture of our history. The Slate Belt Heritage Center is a 501©3 organization dedicated to the preservation and teaching of the culture and history of the Slate Belt Region.
