Although the new building is on the same footprint as the hardware store, the design and construction have blown me away. I'm very excited to be back in Wind Gap along with my staff, Michael Kukla, Lori Stecz, Erika Stofflet, Christi Scott and Karen Schubert."

He's humbled by all of the positive things that have happened to him in the last few years. "I would especially like to thank my wife and family, my clients, my builder Richard Pierce and Richard DeLuca from BB&T Bank for all of their assistance and help and all the Borough support and love. We now have the capacity to grow and again will be considering future firm acquisitions and taking on new clients."
