When it comes to housing,

little things shouldn't make a difference.

If you have children and a landlord refuses to rent to you, requires a higher security deposit, limits the use of facilities, or says you can only live in certain areas of a housing complex... that could be discrimination. And housing discrimination is against the law.

Slate Belt Y Expansion
Continued from page 2

committee volunteers hope to break ground in the summer or fall 2019, with anticipated construction completion in 2020.

Jennifer DeLong, the Branch Executive Director shares, "Thank you for your patience, understanding, and commitment to the Slate Belt Branch of the Greater Valley YMCA as we move this project forward. We understand the benefits to the community that a new pool and gymnasium will bring. Our organization continues to be blessed with a caring membership, wonderful volunteers, dedicated donors, and a loyal community that supports the work that we do every day."

The new, heated indoor pool will benefit the community by offering a safe location for community members to swim all year round; the Y will provide swimming lessons to children, therapeutic water aerobics programs to those dealing with chronic pain, and healthy living aquatics programs for people of all ages. Through the addition of the gymnasium and pool, healthy living programs will be offered to the community to help combat obesity and offer solutions to chronic pain.

As the project moves forward, the YMCA will host a groundbreaking ceremony, as well as a grand re-opening and ribbon cutting event to highlight the new pool and gymnasium as member benefits at this Y. The groundbreaking and ribbon-cutting ceremonies will be open to Y-members and the public.
