SLATE BELT RISING

RESIDENTIAL AND COMMERCIAL FAÇADE IMPROVEMENT PROGRAM

The Residential and Commercial Façade Improvement Programs are designed to help improve the exterior appearance and condition of residential and commercial properties within the four boroughs. The program's goals are to maintain historical and architectural integrity, improve neighborhood appearance, and help property owners make exterior repairs to their homes or businesses while increasing property values for all borough residents.

ABOUT SLATE BELT RISING

Slate Belt Rising is a neighborhood revitalization initiative designed to integrate and capitalize on the substantial assets of the individual Slate Belt boroughs of Wind Gap, Pen Argyl, Bangor, and Portland. While Slate Belt Rising specifically targets these four boroughs, some initiatives promote development and coordination of services throughout the entire region.

More information is available on our website under the Services tab, including program guidelines and applications Visit slatebeltrising.org.

PROGRAM OF COMMUNITY ACTION

Community Action Lehigh Valley is an anti-poverty non-profit offering programs and services in Advocacy, Business Start-Up and Development, Food Access and Nutrition, Housing, Neighborhood Revitalization, and Youth.

2024 FIRE WEATHER AWARENESS WEEK IN PENNSYLVANIA

It's Fire Weather Awareness Week in Pennsylvania

By PGC

During the spring, increasing temperatures and dry conditions, coupled with strong and dry spring winds, increase the risk of wildfires.

WILDFIRES are unplanned, uncontrolled, and unwanted fires, that are almost always started by human carelessness.

PRESCRIBED FIRES are intentionally set by HIGHLY TRAINED fire crew personnel. They are planned and controlled and provide many benefits to wildlife.

The Pennsylvania Game Commission's Wildlife Habitat Management program uses prescribed fire on state game lands and lands enrolled in the Hunter Access Program to benefit and enhance wildlife habitats. Learn more here.

Prescribed fires safely burn away "fuels," such as dried grasses and leaves, which help reduce the spread of wildfire should one occur.

Game Commission prescribed fire crews have their own slogan: "More prescribed fire equals less wildfire."
