## March is Colorectal Cancer Awareness Month

By Rep. Joe Emrick

Colorectal cancer is the second deadliest cancer in the United States despite it being highly preventable with screening.

One in 24 people will be diagnosed with colorectal cancer in their lifetime, according to the Colorectal Cancer Alliance. The federal Centers for Disease Control and Prevention (CDC) reports the most effective way to reduce the risk of colorectal cancer is routine screening, beginning at age 45, for people who are at average risk.

Screening tests can find precancerous polyps so they can be removed before they turn into cancer. Colorectal cancer can also be found early by the screenings, when treatment is most effective.

You can find more resources about early and regular screenings here. There are various types of screening tests available; talk to your doctor about which test is right for you. To prepare yourself for a conversation with your physician, a helpful collection of information supplied by the CDC can be found here <https://links.pahousenews.com/q/DUY44WeUhb0XtZwT7QY119hu7fTCbCBOWUrZcOJYnZ0aW1lc0ByY24uY29tw4go1ZJgDVocaG0LS003IEJauaVXTA>.

## Application Deadline Approaching for 2025 Pennsylvania House Scholarship

By Rep. Joe Emrick

High school seniors interested in receiving financial assistance to help pay for college still have time to apply for the Pennsylvania House of Representatives' Scholarship. The deadline is April 15.

Each year the program awards a four-year scholarship to two students preparing for post-secondary education. It is open to graduating high school seniors who are Pennsylvania residents with plans to attend a Pennsylvania college, university or career school as a full-time student.

To qualify, students must have attained a minimum 3.0 cumulative grade point average in high school. Other factors taken into consideration for the awards are a student's commitment to community, leadership qualities, extracurricular activities and financial need.

The scholarship program is administered through the Foundation for Enhancing Communities. Click here for more information and an application.

The scholarship is privately funded by individual and corporate donors; no tax or other public funds are used. Scholarships are awarded through an independent panel of judges chosen by the foundation.
