When it comes to housing,

little things shouldn't make a difference.
 If you have children and a landlord refuses to rent to you, requires a higher security deposit, limits the use of facilities, or says you can only live in certain areas of a housing complex... that could be discrimination. And housing discrimination is against the law.
FAIR HOUSING IS THE LAW!

Feedback Wanted On Pa Transportation Report
 By Senator Scavello
 PEN ARGYL - Our Comment Period is Now Open: Tell Us What You Think! The public comment period is open for the 2019 Transportation Performance Report, featuring ratings of state efforts in transportation safety, mobility, system preservation and accountability.
 The report is the first step in the PennDOT transportation program planning process. You can also register for a March 20 online public meeting.
 We encourage you to review the 2019 Transportation Performance Report and then provide your feedback between March 11 and April 26. You can take our online Transportation Survey and join us on March 20th for an Online Public Meeting to Tell Us What You Think! Your feedback helps guide the 2021 Twelve Year Program (TYP) update. The TYP is Pennsylvania's multimodal, long range transportation program that prioritizes projects over the next twelve years. It is updated every two years with input from the public and other transportation stakeholders.
