## Become a High School Sports Official

PIAA Official Since 2020, the number of officials in the Pennsylvania Interscholastic Athletic Association (PIAA) has shown a significant decrease across the 23 PIAA-sponsored sports. Maintaining enough officials for interscholastic athletics is important as more and more boys and girls are involved in sports.

Anyone interested in working as a PIAA official can begin the application process through the PIAA website at <https://www.piaa.org/> or by clicking here. The page explains the process of how to apply to be official and the needed requirements and testing.

The PIAA has also started a Junior Official Program where 16- and 17-year olds can officiate ninth grade and below contests. For more information on the Junior Official Program and how to register, please contact Kim Hill at [khill@piaa.org](mailto:khill@piaa.org) or 7170697-0374, ext. \*103.
