Raising Questions Regarding Route 611

By Rep. Ann Flood

PEN ARGYL - Residents of the 138th Legislative District want to know why they are paying so much in tolls, taxes and fees for roads and bridges that are often in disrepair or closed. The most notable issue is Route 611, which has been closed for an extended period of time.

People in Portland and Upper Mount Bethel are paying tolls to go to work, the grocery store, doctor appointments and more with no relief in sight. The prolonged closure of Route 611 has caused an adverse impact on small businesses that cannot be overlooked. Furthermore, the recent 5% increase in turnpike tolls in January only increases the financial strain on travelers.

What is the Pennsylvania Department of Transportation doing to relieve these issues? Watch the video now to learn more about my inquiry with Department of Transportation Secretary Mike Carroll.
