

Warren County Seeks Donations of Protective Supplies

By Art Charlton

(WHITE TOWNSHIP, NJ – March 21, 2020) – Warren County government is asking businesses to donate supplies needed by area health care facilities due to COVID-19.

“More than ever, we must do all that we can to protect our healthcare professionals who are putting themselves at risk to care for those affected by COVID-19,” said Freeholder James R. Kern III, health and public safety liaison.

Personal protective items being sought are:

- Surgical Masks
- N95 Respirators
- Disposable Gowns
- Disposable Face Shields
- Eye protectors
- Nitrile Gloves
- Latex Gloves
- Antiseptic Wipes
- HEPA Filters / Air Scrubbers

Businesses such as nail salons, barber shops and hair salons, dental offices, and any other business that can supply these products – particularly ones that are closed temporarily – could help fight the shortage of these items by donating them now.

Contact Warren County Office of Emergency Management at 908-835-2070 to arrange a donation of these supplies.

Businesses should “donate, but don’t deplete” their supplies, County Administrator Alex Lazorisak said, as the County wants businesses to be able to reopen when the time comes.

Great American Outdoors Act

By Sharon J. Davis

Middle & Upper Delaware River Program Manager
National Parks Conservation Association

Delaware River - I hope you're staying well and calm during this challenging time. We are all looking out for the safety of ourselves, our families, staff and communities first, and Congress is appropriately focused on coronavirus response. We do, however, want to continue advocacy for the Great American Outdoors Act <https://scenicwilddelawariver.us14.list-manage.com/.../click> to repair and conserve our parks and other public lands. I'm writing to ask for your help.

Might your organization/business please sign this letter to help fix public lands infrastructure, conserve irreplaceable lands, and support community recreational areas?

The congressional schedule and when this bill might move are completely unknown; it was a priority for floor action prior to the virus turning into a pandemic. We still want to continue to grow signatures and show the Senate how much of a priority the bill is for the conservation community, so we are asking for groups, businesses and gateway communities to sign on as soon as they can. Here is the link to sign the letter <https://scenicwilddelawariver.us14.list-manage.com/.../click>

Details

A large coalition of groups is working to urge Congress to quickly pass the Great American Outdoors Act (S. 3422), recently introduced by Senators Gardner (R-CO), Manchin (D-WV), Daines (R-MT) and Warner (D-VA). The bill provides up to \$9.5 billion over five years to address priority repairs to infrastructure managed by the National Park Service, US Fish and Wildlife Service, US Forest Service, Bureau of Land Management and Bureau of Indian Education Schools. It also dedicates \$900 million annually to the Land

and Water Conservation Fund (LWCF), which ensures protection of and access to irreplaceable lands while also supporting recreational facilities in communities across the country, including in our communities along the Delaware River.

Thank you for all you do to sustain our shared natural resources and public spaces.

Our trained caregivers are responsible for providing clients with the best in home care to make your day to day life as simple as possible. Call us today and find out what we can do to help you.
