## Legislative Discussion with Slate Belt Chamber

By Rep. Ann Flood

I recently attended a business luncheon hosted by the Slate Belt Chamber, where I had the opportunity to join U.S. Congressman Ryan Mackenzie in providing legislative updates at both the state and federal levels.

I shared insights from the recent budget hearings at the Capitol, where my colleagues and I on the House Appropriations Committee thoroughly examined the governor's budget proposal. I also updated attendees on upcoming events and discussed key issues impacting our region.

Engaging with community members and having the chance to share information and address questions is always meaningful. A special thank you to the team at Allegheny Creek Brewing Company for their warm hospitality and for providing a delicious lunch.

## Pen Argyl Alumni Memorial Wall Dedication

By Rep. Ann Flood

On Wednesday, my legislative aide Alexandria "Alex" Webber attended the ribbon-cutting ceremony and dedication of the new Pen Argyl High School Alumni Memorial Wall on my behalf. I was honored to have Alex, a fellow Pen Argyl graduate, present a plaque recognizing this meaningful addition to the school community, while I was in Harrisburg advocating for the 138th District.

As a proud graduate of Pen Argyl Area High School myself, I'm especially pleased to see the continued success of the Pen Argyl Alumni Association. The new Memorial Wall is a beautiful tribute to the alumni and community members who have supported the school throughout the years. The Pen Argyl High School choir performed the alma mater, making the dedication even more special. Congratulations to the Alumni Association on this big accomplishment!
