

## Record-Breaking St. Patrick's Day Parade in Stroudsburg!

By Senator Rosemary Brown

What a fantastic day in Stroudsburg for the Pocono – American Irish Club (PAIC) St. Patrick's Day Parade—and this year was one for the record books! I'm told it may have even outpaced Scranton's, with over 132 participants taking part in the celebration. The streets were filled with energy, excitement, and community pride.

Walking in the parade was a heartwarming experience, with a record number of families, friends, and visitors lining the route, enjoying the festivities and cheering everyone on. I was especially honored to walk alongside our U.S. Marines and the Toys for Tots program, whose service and generosity continue to inspire.

A heartfelt thank-you goes to the PAIC and all of their dedicated volunteers, who not only give back to our community throughout the year but also worked tirelessly to make this parade such a joyful and well-organized event.

It was truly a fun day filled with smiles, celebration, and community spirit. Well done, and thank you for making it such a memorable moment for Monroe County!

## March 29 is Vietnam War Veterans Day

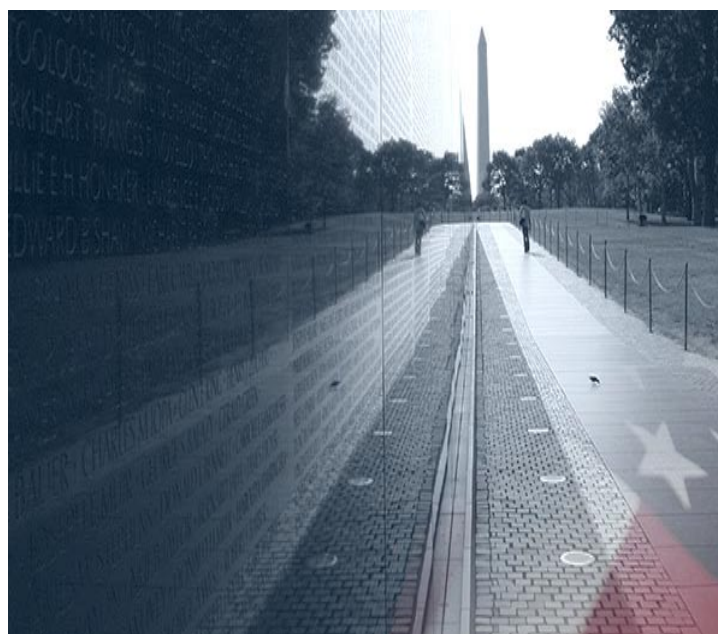

By Senator Rosemary Brown

Nine million Americans served during the Vietnam War era and 58,000 gave their lives. Sadly, because many people didn't view the war favorably, Vietnam War veterans received a cold reception when they returned to American soil. Some were even deeply mistreated.

March 29 marks the day in 1973 when the last United States troops left Vietnam. That same day, 591 American prisoners were released and returned to the United States.

Let us recognize those who fought valiantly for our freedoms. We are grateful for their courage and sacrifices.

Welcome home!
