

Why Are Insect Hatches Coming Earlier? Why Are My Trees And Shrubs Flowering At Unusual Times?

By Brodhead Watershed Association

STROUDSBURG - Participants will get answers to these questions and other issues related to phenology – the science that measures the timing of life cycle events in plants, animals, and microbes, and detects how the environment influences the timing of those events – on Wednesday, April 10, at “Bloom Times, Budburst, Bird Migration, and Bugs.”

The event will be held at Brodhead Creek Heritage Center, 1539 Cherry Lane Road, Analomink, Pa.

Sponsored by Brodhead Watershed Association and the Brodhead chapter of Trout Unlimited, the event will feature speaker Dr. Diane Husic, dean of natural science at Moravian College. Husic will speak about the regional effects of climate change and the Eastern Pennsylvania Phenology Project, a citizen science undertaking to help collect observations of changes occurring in our natural world.

A brief membership meeting of the local Trout Unlimited chapter will begin at 7 p.m., with Husic’s presentation to follow. The public is invited to attend both the meeting and presentation.

This event is the second in BWA’s Climate Change speaker series.

The event is free; registration is not required. For information, email info@brodheadwatershed.org or call 570-839-1120. For information about the event and other activities sponsored by BWA’s Climate Change Committee, see brodheadwatershed.org/ClimateChange.

Senator Mario Scavello to Host College & Career Fair April 25

By Brian Fenstermaker

Nazareth, PA – State Senator Mario Scavello will host a College & Career Fair on Thursday, April 25th from 5 p.m. to 8 p.m. at Nazareth Area High School (501 E. Center Street, Nazareth). Admission is free to the public.

The fair includes over 45 exhibitors for students pursuing college, the skilled trades and military careers. A special financial aid informational session will be offered for parents sending their child to college. The session will specifically address the process of navigating PHEAA, FAFSA, scholarship applications and other available aid for students.

“When a student makes the decision to go to college or trade school, it can be an exciting, yet daunting process,” said Senator Scavello. “This event is a great opportunity for individuals to meet with representatives from educational institutions around the Commonwealth, the Armed Forces and technical schools to learn more about the programs they offer. The informational session will also give parents greater peace of mind as they learn about the financial aid available to allow them to send their children to the institution of their choice.”

The informational session begins at 6:00 p.m. For a full list of exhibitors or to register for the special session, please visit www.senatorscavello.com/learn-more.

For more information, please contact Senator Mario Scavello’s Northampton County district office at 610-863-1200.

State Senator Mario Scavello represents the 40th Senatorial District, which includes portions of Monroe and Northampton Counties. To find out more information regarding this event or any state-related issue, please visit www.senatorscavello.com or email mscavello@pasen.gov.

Keeping Vaping Products Out of the Hands of Minors

By Rep. Joe Emrick

BANGOR - To help keep harmful vaping products out of the hands of minors, the House this week passed legislation that would add “electronic nicotine delivery systems” (ENDS) to the law that currently makes it illegal to sell tobacco products to minors. House Bill 97 also makes it illegal for students to use tobacco products on school grounds.

ENDS include, but are not limited to, e-cigarettes, JUULS and vape pens.

While the products are touted as harmless by some, medical experts have warned that the high doses of nicotine available in many products negatively affect the developing adolescent brain, and the long-term effects of inhaling vaporized chemicals is unknown.

The bill now moves to the Senate for consideration.
