

With the Primary fast approaching, it is vital that we - as Republicans - choose the Congressional candidate best equipped to defeat Susan Wild and stop the radical policies coming out of Washington D.C.

I believe I am the best candidate to defeat Susan Wild because of my proven record of conservative results, the deep policy experience that I bring to the table, and the fact that I am the **ONLY** candidate who has ever won an election.

With a victory in April, #TeamMackenzie will also be able to spread the word about Susan Wild's radical record in Washington and contrast it with my common sense

platform:

- Battling illegal immigration
- Reducing spending to control inflation
- Fighting for energy independence
- Empowering American workers and promoting American jobs
- Implementing voter ID
- Ending the funding of forever wars
- Protecting women's sports and giving parents the right to know what is going on with their child's education

Why will voters believe me when I say what I'm going to do? Because they can see what I have already done:

- Wrote the law expanding the use of E-Verify in PA to protect American jobs
- Introduced a six-bill package to crack down on illegal immigration
- Prime sponsor of the law that eliminated the Death Tax on small family businesses in PA

Never voted for a tax increase

Co-sponsor of Parental Rights in Education legislation

Consistent defender of pro-life and pro-2nd Amendment rights

Voted to protect constitutional rights and political expression

I plan on continuing to prompt our America First policies and defeating Susan Wild in November. I hope you will join us in this fight.

Recommended by FIREARMS OWNERS AGAINST CRIME

I am proud to announce that I am recommended by Firearms Owners Against Crime (FOAC). FOAC is one of the state's leading advocacy groups for 2nd Amendment rights. They have recommended me because I have been a strong defender for the right to bear arms, and I have a voting record to prove it!
