

Upper Nazareth Fire Department Firehouse Groundbreaking

By Rep. Joe Emrick

NAZARETH - Recently, I joined the Upper Nazareth Fire Department for the groundbreaking of their new firehouse addition.

It's a privilege to have helped bring a \$1.25 million state grant to our community, giving our volunteer firefighters the space and equipment they need to keep our growing township safe.

This expansion includes a new four-bay garage, entryway and second floor, with construction starting in the very near future.

It was a great moment to celebrate this step forward for Upper Nazareth!
