### A Little Bit About Blue Flame Events.

When it comes to organizing a great event, Blue Flame Events has it covered! Whether you're looking for assistance organizing a festival, expo, or vendor event, we can help. We believe that the best events come from building the best partnerships and we would love to partner with you!

### We Offer Other Services For Your Business.

Blue Flame Events knows how important it is for you to have a successful business and we have services available to help you grow your online presence. If you are looking for assistance we would love to hear from you!

Some of our other services include event promotion, social media management, email marketing, layout & design just to name a few.

### Community Involvement is Key.

We take pride in involving the community any way that we can. We work hard to build partnerships with a variety of community members such as food banks, fire companies, law enforcement, pet rescues, chambers, and small businesses.

We always look for opportunities to partner with the community! We continue to partner with organizations such as Slate Belt Rising and Slate Belt Chamber of Commerce to host multiple amazing events throughout local communities in an effort to help bring back business to those communities and to the small businesses within those communities. We also work with business owners to organize events at onsite locations to help bring in new business. In 2022, we've partnered with Slate Belt Chamber of Commerce to organize events within the community with the hope of bringing those within the community closer together. For a second year, we have also partnered with local boroughs and townships to organize festivals, tree lightings, and community events.
