If you have children and a landlord refuses to rent to you, requires a higher security deposit, limits the use of facilities, or says you can only live in certain areas of a housing complex... that could be discrimination. And housing discrimination is against the law.

**Pennsylvania Waives Spay/Neuter Requirement for Pet Adoptions**

By Rep Joe Emrick

BANGOR - In an effort to conserve personal protective equipment for healthcare workers, the Pennsylvania Department of Agriculture is temporarily waiving a requirement that all shelters and rescues must spay/neuter dogs and cats prior to adoption.

Shelters will be required to keep a list of adopters to follow up with post-pandemic. Adoptive pet owners will then have to have the procedure completed.

Shelters and rescues can continue adopt-out and are advised to follow guidance for virtual, limited contact adoptions from the Humane Society of the United States. Rescues and shelters should also follow guidance issued from the department to protect their workforce and continue operations.

Before adopting, Pennsylvanians should consider if they're able to provide for all the pets' needs during COVID-19 mitigation and follow the department's Guidance to Pet Owners.
