

We're Open for the Season!

By Salena Fehnel, Director of Museum & Archives
EASTON - The The Delaware & Lehigh National Heritage Museum season kicked off with opening weekend.

It was great to have all ages coming through the Museum to check out the new exhibition and some old favorites like the water table and building an aqueduct model. The 2024 Season has a lot in store – and is now open to the public on Saturdays and Sundays 11:30am to 4:30pm in April and May. Public canal boat rides and weekday hours will start through June 6.

We are excited to share the new 2024 Special Exhibition, "Putting Down Routes," as well as an updated Hands-On History Corner, a freshly stocked gift shop with local vendors' wares, and of course – welcome back Hank and George, our mules! Stop in any weekend and say hello, explore exhibits geared to all ages, sign up to volunteer as a docent, greeter, or gift shop staff – or just take a stroll around!

As an important visiting note: Lehigh Drive is closed from 25th street so everyone must approach from Glendon Hill Road or Lehigh Drive from downtown (and keep an eye on our website for flooding updates – it's been a wet start to the month!).
