WILD TURKEY BIOLOGIST

State of the Pennsylvania Turkey Flock Address, Spring 2021

By Pa. Game Commission

HARRISBURG - What You Can Expect In The Turkey Woods This Spring. With Pennsylvania's statewide spring turkey season opening in less than a month, check out "State of the Turkey Flock" with Wildlife Biologist Mary Jo Casalena for a turkey population update.

With a good hatch year and better summer turkey reproduction in 2019, there should be plenty of 2-year-old gobblers and jakes out in Penn's Woods this spring.

Good luck this turkey season. Have fun and hunt safely.
