

## Upcoming Events at QVLHF in October 2022!

Stroudsburg - Spooky Days on the Farm on October 28-29th from 5 to 8PM. On Friday and Saturday nights put your detective skills to the test by helping solve a murder mystery! A guide will take you around the farm as you meet the suspects, gather clues, and more! This program takes approximately 1 1/2 to 2 hours and tours are continuous. The last tour begins at 8pm from the log cabin gift shop. Get into the haunted Halloween spirit with something more unique than just another haunted house. This program is designed by a forensic specialist and includes discussions and depictions of death and murder. The farm is extremely dark at night and we encourage visitors to bring flashlights. Actors are not permitted to touch visitors. Not suitable for audiences under age 7.

Quiet Valley Living Historical Farm is a non-profit, educational corporation dedicated to the preservation and presentation of Pennsylvania's agricultural heritage. At Quiet Valley history comes to life on our 19th century farmstead. Quiet Valley is open to the general public from June 18 to Labor Day. Period-dressed "family" members interpret the life of the original Pennsylvania German farming family who lived on the farm 1770 to 1913. The farm also hosts a number of special events throughout the year. For more information on the museum call (570) 992-6161 or visit us online at: [www.quietvalley.org](http://www.quietvalley.org)
