Super Bowl Celebration at the White House

By Rep. Ann Flood

It was an honor to visit the White House and participate in the Philadelphia Eagles' Super Bowl championship celebration last Monday! The team's dedication and hard work have inspired not only sports fans but the entire state.

As a Lehigh Valley native, it was especially exciting to see Saquon Barkley, a graduate of Whitehall High School, and Jahan Dotson, from Nazareth High School, in the spotlight. Both also played for Penn State before joining the Eagles.

I'm incredibly proud of our Eagles and all they've accomplished, both on and off the field. Here's to their continued success and making us proud for years to come!

Made in America Grant Program

By Rep. Ann Flood

The U.S. Small Business Administration is offering up to \$1.1 million in grants to support small manufacturers through its new Manufacturing in America Grant Initiative.

The funding will go to three eligible applicants who will provide training and technical assistance to small businesses in the SBA's Empower to Grow (E2G) Program.

E2G offers free courses, hands-on training, and one-on-one consulting to help small manufacturers grow, comply with regulations, and compete for government contracts—particularly in industries like timber, energy, aluminum, and steel.

Eligible applicants must have at least three years of experience delivering training to small manufacturers and the capacity to provide hands-on support.

The deadline to apply is May 12 at 11:59 p.m. EDT at grants.gov.
