

# Keystone State Challenge Academy Now Accepting Applications for Summer 2025 Class

By Rep. Joe Emrick

Since 2022, the Keystone State Challenge Academy (KSCA) has been transforming the lives of teenagers using a military academy style training model to provide structure and discipline.

KSCA is a joint effort between the Pennsylvania Department of Military and Veterans Affairs and the National Guard Bureau, in consultation with the Pennsylvania Department of Education. Applications may be submitted now through July 12 for the 22-week class that begins in July.

The program is open to 16- to 18-year-old Pennsylvania residents who are at risk of not graduating from high school, no longer attending any school or have not received a high school diploma or equivalent certificate. Applicants must be willing to be drug free, free of felony convictions and voluntarily commit to the program. If selected, students will attend the residential phase at Fort Indiantown Gap in Lebanon County.

For detailed eligibility requirements and to begin the application process, click here. You may also request a mailed application or ask questions by contacting the academy via email at RA-MVPACHALLENGE@pa.gov or by calling 717-861-7767.
