## HUGHES LIBRARY COMMUNITY ROOM

1002 North Ninth St.

Stroudsburg, PA 18360

## County Donates 2018 Dodge Van

Continued from page 1

Northampton County is directly supporting those efforts and helping ensure continued access to care and community resources."

The Nazareth Ambulance Corps currently provides medical and non-medical transportation to residents of Gracedale County Home, Alexandria Manor, Moravian Hall Square, and patients accessing over 200 facilities across Northampton County and the Lehigh Valley. Their team also serves the Northampton County Prison and hospitals in both the Lehigh Valley Health Network and St Luke's Health Network.

In 2024 alone, the team transported approximately 7,000 patients to medical appointments, nursing facilities, and back to their homes. The addition of a passenger van to their fleet—currently consisting of five wheelchair vans and one stretcher van—will allow them to serve ambulatory residents more efficiently and economically, particularly those who do not require specialized medical transport.

Nazareth Ambulance plans to use the passenger van to support transportation needs related not only to healthcare access but also future community programming, including rides to pharmacies, doctors' offices, and grocery stores. This aligns with their long-term vision of addressing non-traditional mobility needs for the county's aging and underserved populations.

This donation underscores Northampton County's broader goal of improving the quality of life for all residents through thoughtful, community-centered use of county assets. The DCED remains focused on building stronger connections across the county and supporting organizations that enhance services and promote well-being.

For all media inquiries related to this announcement, please contact Jessica Berger, Deputy Director of Administration, at 610-829-6250 or JBerger@norcopa.gov.
