Northampton County Junior Conservation School

Sunday, July 14 to Saturday, July 20, 2024 This weeklong residential environmental education experience offers students ages 13-17 an opportunity to work with other youth and adults in a hands-on, non-traditional learning experience. Instruction includes hiking, archery, camping, canoeing, forest ecology, boater water safety, water quality monitoring, firearms safety and handling, and other outdoor experiences. Conservation School places a strong emphasis on field experiences to educate and instill a conservation ethic in its students. The program is designed to develop the leaders of the next generation who have an awareness of the critical environmental and ecological issues that affect our communities and how decision-making and management practices can limit those impacts. The school is staffed by a group of dedicated volunteers composed of sportsmen, returning students, community leaders, state agencies, and organizations. Instruction is provided by Jacobsburg Environmental Education Center and other professionals from the conservation and environmental fields. The school is held at the Northampton County 4-H Center 777 Bushkill Center Road Nazareth, PA 18064. A \$50.00 registration fee is required to attend NCJCS, the \$50.00 will be refunded upon the student's successful completion of the week of school. Registration is open now at www.ncjcs.org. Please fill out the online application at https://ncjcs.org/preapp/ to register for the 2024 session.
