Bangor Receives 8 Freddy Awards!

By Michael Ortoski

BANGOR - From 14 Freddy Nominations to 8 Awards WOW! What more can you say about the performance.

This years "Mamma Mia!" Play in my opinion should go down in the history books for Bangor High School, in almost every facet of the play they took first place against all the competing high schools.

Great job to everyone connected to the play, you can watch the rebroadcast of the Freddy Awards on Channel 69 WFMZ on June 1st at 7pm.

PUBLIC NOTICE

PUBLIC NOTICE You are invited to attend the Washington Township Supervisors Meeting scheduled for 7:00 pm on June 12, 2019 at Washington Township to discuss stormwater and the regulations for the MS-4 program as developed by the Department of Environmental Protection (DEP). DEP requires that municipalities adhere to specific guidelines for the management of stormwater. Municipalities are now required to obtain an MS4 (Municipal Separate Storm Sewer System) Permit. As part of this permit, each municipality is required to reduce the amount of pollutants found within the local watershed areas. These improvements include tree plantings, stormwater basin upgrades, and stream bank restoration. The improvements are designed to help reduce the amount of pollutants that reach the local streams, thus creating a healthier environment for the surrounding residents and wildlife. Topics to be discussed include the six general Minimum Control Measures and the Pollutant Reduction Plan. Thank you and we hope you can attend the meeting. Please RSVP via email to: Katie Purdue Township Planning & Zoning Secretary wtbsassistant@epix.net Washington Township Municipal Meeting Room 1021 Washington Boulevard, Bangor, PA 18013
