Lehigh Valley Zoo Welcomes A Pair Of Red Pandas

By LV ZOO

(Schnecksville, Pa.) – Lehigh Valley Zoo is excited to announce the arrival of two red pandas, Cosmo and Meeko. The pair will debut at the public Grand Opening of Rothrock Red Panda Peak, the LV Zoo's brand-new red panda habitat, on Friday, June 7. The zoo will open at 9 a.m. for zoo members only and to all other guests at the normal time of 10 a.m. Tickets can be purchased at lvzoo.org.

Cosmo and Meeko arrived from Alabama's Birmingham Zoo as part of a recommendation through the Association of Zoos and Aquariums' (AZA) Red Panda Species Survival Plan (SSP). SSP programs are led by expert advisors who work cooperatively with AZA zoos and aquariums to manage animal populations to safeguard the survival of many of the planet's threatened and endangered species. The nearly one-year-old red panda brothers will celebrate their first birthday on May 31. The pair is currently behind the scenes until the Grand Opening. The zoo's animal care team has noted that Cosmo is very outgoing and curious while Meeko is a bit shyer and more reserved, but both are adjusting well.
