SENATOR ROSEMARY BROWN

Pennsylvania's 40th District

Serving Lackawanna, Monroe, and Wayne Counties

National CPR and AED Awareness Week

By Senator Rosemary Brown

This week marks National CPR and AED Awareness Week, a timely reminder of how life-saving skills like CPR and the use of Automated External Defibrillators (AEDs) can mean the difference between life and death in an emergency.

As someone who has long championed increased AED access, I continue to advocate for stronger safety measures in our schools and athletic programs. My legislation, Senate Bill 375, would require that AEDs be present at all school-sponsored events, including athletic practices and games. This legislation is in memory of Greg Moyer, a young athlete who tragically died from sudden cardiac arrest during a basketball game in 2000. There was no AED on-site.

I invite you to learn more, get trained in CPR, and join me in supporting Senate Bill 375 to ensure our schools are equipped and ready to respond in an emergency.

Honoring D-Day: A Legacy of Courage and Sacrifice

By Senator Rosemary Brown

We pause to remember June 6, 1944—D-Day, one of the most pivotal and courageous moments in our nation's history. On this day, thousands of brave Allied forces stormed the beaches of Normandy, launching the liberation of Western Europe from Nazi occupation and changing the course of World War II.

Their extraordinary courage, sacrifice, and determination helped secure the freedoms we are privileged to enjoy today. The legacy of those who served and gave their lives on D-Day lives on in the peace, liberty, and democratic values they fought to protect.

Let us honor their memory not just with words, but with our commitment to uphold the principles they defended.
