New Guidance Available for Recreational Sports to Resume

By Senator Mario Scavella

PEN ARGYL - Professional, recreational, collegiate, high school and youth sports can now resume statewide under new guidance that was announced last week. The guidance includes screening and monitoring coaches and players for COVID-19 symptoms, bringing individual drinks instead of using water coolers or fixed water fountains, avoiding handshakes and other unnecessary contact, not sharing equipment whenever possible, limiting spectators and developing a plan of action if a coach, athlete or official is diagnosed with the virus.

The U.S. Centers for Disease Control has also released specific guidance for youth sports organizations, including recommendations to maintain a healthy environment, assess risks and promote practices to reduce the spread of COVID-19.

Eight More Counties Moving to Green Phase of Reopening

Beginning on June 19, a total of 54 of Pennsylvania's 67 counties will be in the green phase of reopening. All counties in the state are now in either the green or yellow phase, and the governor's stay-at-home order has been lifted for all counties.

The counties moving to green on June 19 are: Dauphin, Franklin, Huntingdon, Luzerne, Monroe, Perry, Pike and Schuylkill. The only counties remaining in the yellow phase past June 19 are: Berks, Bucks, Chester, Delaware, Erie, Lackawanna, Lancaster, Lebanon, Lehigh, Montgomery, Northampton, Philadelphia and Susquehanna.

Many businesses in the green phase will operate at a lower capacity with new safety requirements in place, and lower occupancy thresholds are mandated for businesses such as restaurants, bars, personal care services and entertainment venues.
