## Northampton County Hosts Youth Field Day

By State Rep. Ann Flood

Over the weekend, I had a blast attending Northampton County Youth Field Day at the Stockertown Rod & Gun Club, a hands-on event introducing young people to outdoor sports, conservation, safety and sportsmanship.

This long-running event, first started in 1992, brings together volunteers from across Northampton County to introduce young people to outdoor sports, conservation, safety and sportsmanship. Approximately 200 children ages 7-15 participate each year, moving through hands-on stations that include fishing, boating safety, archery, trapping and firearm safety.

It was great to see so many dedicated volunteers from the Northampton County Youth Field Day Foundation and local sportsmen's groups working together to give kids a safe, educational and memorable experience in the outdoors. Best of all, the event is offered at no cost to participants and includes lunch for all attendees.

Thank you to Rich Tobias of the Northampton County Youth Field Day Foundation, Charles Chrin Companies and H&H Outdoor Powersports for making this day possible.
