## Bangor Borough 150th Anniversary Celebration

By State Rep. Ann Flood

Bangor Borough is celebrating 150 incredible years, and the weeklong anniversary festivities began Saturday with a strong showing of community pride.

I was honored to take part in the opening ceremony, where I had the opportunity to welcome the crowd and reflect on what makes Bangor such a special place. Thankfully, the rain held off as residents gathered in the lower portion of the borough to enjoy the celebration and support the many local vendors who helped make the day memorable.

The ceremony featured heartfelt speeches and shared stories that highlighted Bangor's rich heritage and the close bonds that have long defined this community.

Later that evening, I attended the anniversary gala at the Bangor Elks Club, featuring amazing music by Joyous. It was a wonderful opportunity to continue the celebration, connect with the community, and honor the people who have shaped Bangor's past, present and future.

The festivities will continue through June 14, and I encourage everyone to take part in this historic milestone.

## Breaking Ground at Lehigh Valley Airport

By State Rep. Ann Flood

A groundbreaking ceremony was held Thursday for the new Courtyard by Marriott hotel at Lehigh Valley International Airport.

This exciting project represents a major investment in the region's economic development and will offer added convenience for travelers visiting the Lehigh Valley.

I was proud to grab a shovel and join local leaders, airport officials and project partners in celebrating this milestone. The new hotel will be a valuable addition to the airport campus and a boost for both tourism and business travel in our community.
