

WEONA Park 100th

Continued from page 1

I remember as a kid coming here a lot, as I grew up from here only 10 miles away in Saylorsburg. The borough had the ribbon cutting for their new dog park that is just behind the skate park. After that they had a dog contest parade.

The line up went on all day with Three History Presentations: WEONA Park – 1921 Carousel History; Early Pen Argyl businesses Early and recent street scenes; Pen Argyl Churches, Railroads, Hotels, Businesses (1955). Basketball w/ the PALs/Free Throw Contest (basketball court); Skateboarding Exhibition (skate park); Talent Show; Baby Parade; On Sunday as part of the Summer Sounds program Large Flowerheads played.
