Weekly Weeders - Pond Clean Up

Thursday, July 1 at 10:00am to

Interested in learning more about
 gardening with native plants? Volunteer
 to work alongside our education staff as
 they mulch, pull weeds, divide plants,
 and amend soil in the center's native
 plant garden. We provide instruction,
 tools, and weeding mats. This week we
 will be focusing on removing invasive
 plants from the garden pond. Please
 bring shoes and clothing that can get
 wet. Waders will be available but may
 be uncomfortable to wear if it is hot.
 Volunteers that are not comfortable
 working in the pond can work in other
 areas of the garden instead. Registra-
 tion is required.

Community Stream Study: Critter
