

Vendor Applications for the 2024 Northampton County Festival

ByBrittney Waylen

EASTON - Applications for vendors and non-profit organizations to rent booths at the 2024 Annual Northampton County Festival are now being accepted. The festival will be held at Louise Moore Park on Saturday, October 12, from 11:00AM to 5:00PM, rain or shine.

The event will feature live entertainment, food and beverage vendors, craft and retail vendors, and a special award ceremony at 2:45PM, where County municipal workers, public safety, veterans, outstanding youth, and many others will be celebrated.

Prices for vendors include \$150 for food and \$25 for craft and retail. Northampton County non-profits can participate for free with a \$25 refundable deposit.

Interested vendors can send an application to 527 E. Laurel Street, Bethlehem, PA 18018, with your check made out to Fun-Nominal Events. No space will be reserved until payment is received.

Applications can be found here https://wo6djquab.cc.rs6.net/tn.jsp?f=0015PYpCjp4N33LViEg31dqI18474ceGRCTXWC29nIKrqgikEXxR3-Mgauvk-ugfLY-mBWC1Yp5vVlxJP99IQiH6sz3yvCAVFINxqRcqBYLUMFBCY392MtgICGQpjeXMunrvZXkiHxsGG6fGdcmW78ejZXJqSpUoxoGJ4XUrOTiil0IDhbRt7tlcysySvGpj_rThig1ydZChGIPJKsQglCFo5USG9wc3YONP8Fj3RYfMbhR2hD5S-OyKFhzrFkFGSr_&c=ArwdFnBM4LY9jNPLxmqToXbGJTVchDTgVrfBy_GwWMxLXr1IT2R5nQ==&ch=typwF3YWm9H8mOYxPRmip_RHqH78tloXJSKw3JEIKUp7S0y88oL0fA==.

NPS Kicks off Free Science Summer Camp Program Avoid The Dreaded "Brain Drain" This Summer!

By Jodie E Grier

BUSHKILL, PA- Back for the third year in a row, Science Summer Camp provides activities for visitors and families looking to make education fun over the summer.

Beginning June 28th, this free program will be offered on six consecutive Fridays from 10am to 2pm. Each week, attendees visit different sites within the park to enjoy hands-on science activities and learn about different park resources. Participants may attend

as many or as few sessions as they would like.

Though the content is targeted for youth ages 8-13, children of all ages are welcome to attend. These education programs also meet Next Generation Science Standards for grades three through five.

Creating opportunities for fun, interactive, and educational learning experiences is a major goal of the National Park Service. "Science Summer Camp builds a connection between participants and the natural and cultural resources found here in Delaware Water

Gap National Recreation Area," says Anna Grismer, education technician. "This program provides opportunities for families to learn about the area in a entertaining, immersive, and creative way."

The schedule for Summer Science Camp is as follows:

- June 28th from 10 am - 2 pm at Dingmans Falls Visitor Center

Learn about the secret superpowers native plants possess! Discover why the wide variety of plant life found at Delaware Water Gap National Recreation Area is important for our environment.

- July 5th from 10 am - 2 pm at Peters Valley School of Craft

Do you love hide-and-seek? So do animals! Enjoy activities based on the remarkable characteristics of native animals and how they stay unseen.

- July 12th from 10 am - 2 pm at Kittatinny Point Visitor Center

How do you feel about after-school snacks? Aren't they fun? They give you energy to play and do homework! How do you think animals get energy to play? Learn about ecology and the food web of native animals in a beautiful environment.

- July 19th from 10 am - 2 pm at the Hialeah Recreation Site

Did you know that the water you drink every day is the same water that dinosaurs drank over 65 million years ago? This is possible through the water cycle! Learn more about the amazing properties of water near the Delaware River.

- July 26th from 10 am - 2 pm at Walpack Center

There is a reason "you rock" is a compliment! Rocks are super cool! Learn how scientists examine the past by studying rock types and fossils.

- August 2nd from 10 am - 2 pm at Milford Beach

"What we are is what we leave behind." Protecting our natural resources is everyone's responsibility, especially park rangers! The National Park Service preserves land for the enjoyment of future generations. Learn how you can help keep these parks safe!

Visit <https://www.nps.gov/articles/000/science-summer-camp-2023.htm> for more details on the program and directions to each site.

Walk in the center of trails

Use EPA-registered repellents containing DEET, picaridin, IR3535, Oil of Lemon Eucalyptus, para-menthane-diol or 2-undecanone

Bathe or shower within 2 hours after coming indoors to find and wash off ticks

Check your entire body for ticks with a mirror after returning from outdoors

Examine your gear and pets to keep ticks from being brought inside

Tumble dry clothes on high heat for 10 minutes to kill ticks on clothing
