Attention Artists!

By Rep. Joe Emrick

America250PA – the organization planning the state's participation in the United States' 250th anniversary next year – is seeking submissions from local artists for its "Bells Across PA" art series.

Selected artists will execute their designs on a fiberglass bell sculpture. The goal is to place at least one bell in each of the state's 67 counties, but the hope is for many more.

Bells Across PA is open to all Pennsylvania artists and groups from the acclaimed to the amateur. Painters, sculptors, craftsmen, multi-media artists and other wildly creative people are all encouraged to apply. Each commissioned bell will receive one honorarium, regardless of group size.
