Softball Champions

continued from page 1

to provide players for the school teams. We are Pen Argyl. Small school proud and I want to do my share in providing any able bodied player the chance to love the game as much as I do. We have successes and failures but it's coming together on the dirt that makes for champions. I don't care of about wins and losses but I do care about effort. I will reward effort all day long above any one hit wonder player. These girls have proven that desire and passion for the sport of softball over rides the thunderstorms in the distance, the crazy humidity and heat, the differences of opinions, and anything anyone wants to say to beat them down.

Everyone played a part in this win tonight and that is what makes this team MY team. My three peat champions. Wait till you see the shirts we designed after we won. These girls have some hard earned sass and are proud of themselves and where we come from. I'll reward that too.

Again. Thanks to all the players and parents over these past few years who have given me the honor of being your coach. It's my thing. It's my passion. Hopefully you come back and return to the sport as a mom or aunt or volunteer to help build that same passion in the next generation of softball players.
