By Brittney Waylen

EASTON - County Executive Lamont G. McClure announces that the Northampton County Department of Community & Economic Development (DCED) is ready to distribute county-owned computers and cell phones to organizations in need throughout the county.

"We are refurbishing county-owned devices in order to donate to public-facing organizations in Northampton County, including healthcare systems, schools, municipalities, and nonprofits. Our objective is to achieve digital equity and ensure that every county resident has adequate access to the internet," says Executive Lamont McClure.

Organizations interested in receiving a refurbished device are encouraged to contact the Northampton County Department of Community & Economic Development at (610) 829-6306.
