MT POCONO, PA (June 22, 2021) – Following COVID19 Social Distancing Directives, the Mt Pocono Rotary moved this year's Community Aviation Day Fly-In Drive-In Pancake Breakfast to Sunday, September 5, 2021 from 8a.m. to 2p.m. with proceeds benefiting Mt Pocono Rotary and the East Stroudsburg Salvation Army. For the past 25 years, this popular community event has been held rain or shine at Pocono Mountains Municipal Airport.

Mark Turner, Event Chair, comments, "The day's events include a pancake breakfast, airplane and helicopter rides, children's activities, civilian and military aircraft displays, a Huey helicopter, emergency services and antique car displays even plans for a parachute jump."

Tickets are \$10 for adults and \$6 for children ages 12 and under. The day's activities include free airplane

rides for kids ages 8-17 \*weather and space permitting. Parking is free.

Turner continues, "This event was created 25 years ago to give residents and visitors to our area the change to visit the airport, see a variety of airplanes, experience helicopter and airplane rides and generally find out about how to get youth involved with aviation. It has grown to be one of the Mt Pocono Rotary's largest annual fundraisers with over \$200,000 raised that has been distributed to non-profit and deserving causes throughout the community."

The mission of the Salvation Army of East Stroudsburg is to preserve human dignity while empowering people to reach their potential through honoring heritage, strengthening family values and meeting human needs. In tough economic times and throughout the Pandemic, when thousands of neighbors have found it hard to feed their families, the need for services provided by the East Stroudsburg Salvation Army has been under even greater pressure with over 2 million meals served to those in need. In addition, the Salvation Army has provided grants for rent, utility assistance, heating fuel, shelter and healthy food for thousands of families thanks to donations from individuals, organizations and the generosity of the Mt Pocono Rotary.

In addition to free airplane rides for kids ages 8-17 donate by volunteers for the Young Eagles EAA Program, airplane and helicopter rides can be purchased with proceeds benefiting the charities. Those rides are donated by event sponsors: Moyer Aviation; Hi-Tech Helicopters; in addition to Papillon and Moyer Excavation.
