Fighting for Fairness in Women's Sports

By State Rep. Ann Flood

I co-sponsored House Resolution 281, which aims to advance Senate Bill 9, the Fairness in Women's Sports Act. The bill ensures only biological females are eligible to compete on girls' and women's sports teams.

Protecting fairness in women's athletics is essential. Female athletes have worked hard to earn their place and deserve a level playing field where their talent and commitment are respected.

Senate Bill 9 is a critical step toward preserving opportunities for female athletes and securing the future of women's sports in Pennsylvania.

A discharge resolution requires the support of at least 25 House members. Once the required number sign on, the resolution is entered into the House journal, and the bill's title and committee are placed on the calendar for consideration.

Advocates Visit Capitol to Support Disability Services

By State Rep. Ann Flood

It was a pleasure to meet with representatives from The Arc of Lehigh and Northampton Counties when they visited Rep. Zach Mako and me at the Capitol for their advocacy day.

Since 1967, The Arc has supported individuals with intellectual and developmental disabilities by promoting inclusion and providing vital services. We discussed how state budget funding will help strengthen their programs and improve lives across our community.
