Thanking Local Resident for 50 Years of Service

By Michael Ortoski

ROSETO - "I am proud to present Steve DeFranco Sr. with a House certificate for his 50 years of service as manager of the Roseto, Post 750, Roseto Legion 2019 Baseball Team" said Pa. Rep. Joe Emrick.

History - American Legion Baseball is a national institution, having thrived through a world war, several national tragedies, and times of great prosperity as well as great despair.

The league still stands behind the traditional values upon which it was founded in 1925. American Legion Baseball has taught hundreds of thousands of young Americans the importance of sportsmanship, good health and active citizenship. The program is also a promoter of equality, making teammates out of young athletes regardless of their income levels or social standings. American Legion Baseball has been, and continues to be, a stepping stone to manhood for millions of young men who have gone on to serve their country or community, raise families or play the sport at the highest level.

L-R Pa. Rep. Joe Emrick, Steve DeFranco Sr.

Special Screening: The Day We Walked on the Moon

By Michael Ortoski

BETHLEHEM - Join NMIH on Saturday, July 20th at 11am and 2pm as we celebrate the 50th anniversary of the Apollo 11 moon landing with screenings of the Smithsonian Channel's The Day We Walked on the Moon.

On July 20 1969, astronaut Neil Armstrong became the first man to walk on the moon. Narrated by Mark Strong, The Day We Walked on the Moon tells the story of how he got there through spectacular footage and interviews with key figures in the Apollo 11 mission, including astronaut Michael Collins and iconic Flight Director Gene Kranz. Further interviewees include Professor Brian Cox, Dr Brian May and key Apollo astronauts Frank Borman and Charlie Duke.

These screenings are free with museum admission and free for members.
