

## A New System of Transportation is Coming to Musikfest 2024

By Office of State Senator Lisa M. Boscola

BETHLEHEM - New bus services are coming to this year's Musikfest thanks to a multilevel and citywide partnership. LANTA, the Bethlehem Parking Authority, the City of Bethlehem, the Greater Lehigh Valley Chamber of Commerce, Historic Bethlehem, the

SouthSide Arts District and Arts-Quest have come together to make Musikfest more accessible for people to attend and enjoy a sum-

mer-time tradition that is entering its 41st year.

LANTA's Enhanced Bus Service (EBS) system will begin its new route, the Gold Line, from North Side to SouthSide Bethlehem, beginning August 2. Along with the Blue Line from Trexlertown to Easton and the Green Line from Whitehall to the Casino, these bus lines will not only make your ride to and from Musikfest stress-free, they will also allow for stops throughout the festival, along with the already running North South Transfer and the Parking Garages shuttles.

The new EBS System will run from Monday through Saturdays, 6 a.m. to 1:40 a.m. and Sundays from 6 a.m. to 9:40 p.m.
