

## 54th Antique Gas, Steam Engine and Tractor Show at Jacktown

By Michael Ortoski

BANGOR - 'Something for everyone' is always the theme of the show at the Antique Gas Engine and Tractor show. One of the big attractions is the tractor pull that attracts a lot of the local farmers to shine up their tractor and try to get the best pull. They even have a kids pedal tractor pull, you're never too young!

Great food and entertainment for three days along with antique train rides and tons of vendors to visit.

Here is the history: The first meeting was held at the Windgap School in Windgap, PA. on November 2, 1971. It consisted of about twenty five people who had a common interest in restoring and preserving antique agricultural machinery and industrial equipment. This would serve to educate about the past and

## LVHN Women's Health Center Brings Focus To Female Healthcare Needs In Lehigh Valley

By Senator Lisa Boscola

Earlier this week, I was honored to participate in the Grand Opening and Ribbon Cutting of the new LVHN Women's Center on the site of the iconic Bethlehem Steel Martin Tower - the first day of the new life at the Martin Tower site. As the daughter of a steel worker this site always evokes mixed emotions.

Grand Opening and Ribbon Cutting of the new LVHN Women's Center. My father worked at the plant. Almost 53 years to the date Martin Tower was completed (August 28, 1972) and became the headquarters to Bethlehem Steel. That year, Bethlehem Steel was the 14th largest corporation in the nation and second largest steel producer in the WORLD. In 1973 Bethlehem Steel produced a company record of 22.3 million tons of raw steel.

It is yet another example of what has made Bethlehem a winner in recovering from the close of its one-time largest employer.
