

TeamTommy Inc. Support For Pediatric Cancer Families Of The Slate Belt (Lehigh Valley Area)

By Shelly Stackhouse / President/Founder TeamTommy Inc ~ 88-3382015

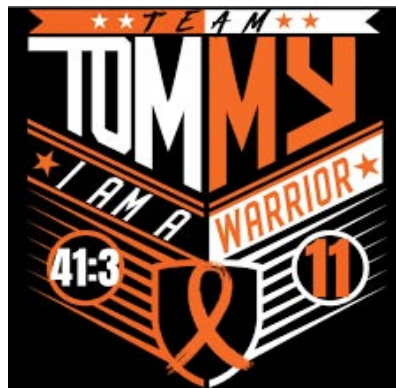

Dear Community Business Owner,

I hope this letter finds you in good health and spirits. I am writing to request your support for TeamTommy Inc, a nonprofit organization that is committed to offering support to pediatric cancer families of the Slate Belt (Lehigh Valley area). Named after Tommy Stackhouse, a 2021 graduate of Bangor High School who passed away from complications of Acute Myeloid Leukemia on May 26, 2022. Tommy was a Special Education major in college when he passed, and his mission was to help teens with disabilities. We started TeamTommy Inc in July 2022 to continue his legacy of helping others.

As we strive to fulfill our mission, we rely heavily on the generosity of donors like you. We are reaching out to request an in-kind donation for our annual Bingo/Trick Tray on September 27, 2025, which we believe would make a significant impact on our efforts by raising the funds needed for these families struggling with this life altering diagnosis.

In return, we would be happy to offer recognition and social media shoutouts. We appreciate your consideration of our request, and we welcome the opportunity to discuss this further with you. If you have any questions or need further information, please do not hesitate to contact us at 610-392-6854 or teamtommystackhouse@gmail.com

Thank you for your generosity and support.

Da Vinci Science Center's Kendal Askins Named 2025 Forty Under 40 Honoree

By Tamara Krizek

ALLENTOWN, PA, – Lehigh Valley Business has selected Kendal Askins, Director of Allentown School District Partnership at Da Vinci Science Center, as a 2025 Forty Under 40 honoree.

The Forty Under 40 Awards celebrate rising stars in the Lehigh Valley who are under the age of 40 and are making a lasting impact through professional excellence and community engagement. Honorees are selected by the Lehigh Valley Business leadership team and a panel of past winners for their achievements and commitment to the region.

"Kendal brings passion, professionalism, and heart to everything she does," said Lin Erickson, Executive Director and CEO of Da Vinci Science Center. "Her work ensures that students across the Allentown School District have access to all that the Science Center has to offer - enriching STEAM experiences that spark curiosity and confidence. We're thrilled to see her contributions recognized in this way."

"The 2025 Forty Under 40 honorees are making their mark on their professions and on the community. Their accomplishments are impressive, and they understand that giving back is part of their mission," said Suzanne Fischer-Huettner, managing director of BridgeTower Media/Lehigh Valley Business. "We are proud to recognize them for all they have done and will continue to do to make the Lehigh Valley a wonderful place to live and to work."

Kendal and her fellow honorees will be recognized at an awards celebration on Sept. 11 at the DeSales University Center in Center Valley. The event begins at 4:30 p.m. with food stations and drinks, followed by the awards ceremony at 5:30 p.m. and a networking dessert reception.

Attendance is limited, and honorees and sponsors receive first priority access. Sponsorship opportunities include logo usage, marketing benefits, and reserved tables for the event. For details, contact Suzanne Fischer-Huettner at shuettner@bridgetowermedia.com.
