Waste Management Plans Hiring Events Friday, Saturday To Fill Dozens of Open Positions in Lehigh Valley

By John Hambrose

Allentown, Pa., July 20, 2021 – Waste Management will conduct hiring events this week in Whitehall to fill nearly four dozen open positions at its four facilities in the Lehigh Valley.

The sessions will be conducted Friday, July 23, from noon to 4 p.m., and Saturday, July 24, from 8 a.m. to noon, at Buckman's Ski and Snowboard Shop, 2510 MacArthur Road, Whitehall.

"We have openings that range from laborers and recycling sorters to an accounting position in the Lehigh Valley," Waste Management Talent Adviser David Runyon said. "We are offering competitive pay rates and a new, game-changing educational benefit to candidates to these positions. Our regional management team will be conducting interviews at the sessions in Whitehall and will be prepared to make job offers on-the-spot."

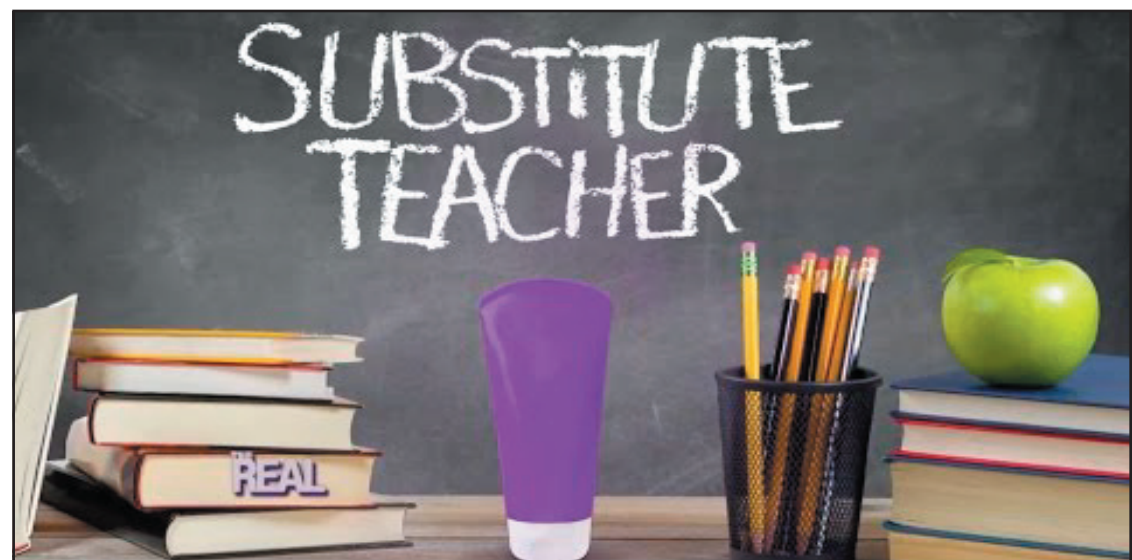

Waste Management operates the Grand Central Landfill and Hauling Co. in Pen Argyl, a recycling center in Northampton, and a hauling company in New Smithville, and has a total of 47 openings at the locations. The company is offering new, industry-competitive hourly pay rates for these positions and new hires may be eligible for sign-on bonuses.

"We also have introduced a new education benefit that is available to all of our team members this year and will be extended to our team members' spouses and children in 2022," Mr. Runyon said.

Waste Management's Your Tomorrow! benefit provides up to \$12,000 a year to help a team member complete their high school education, take college preparatory classes, study in 135 certificate or bachelor's degree programs, and study for a master's degree in more than 40 business, technology and other fields of study. This benefit will be available to family members in 2022.

"Waste Management continues to offer competitive pay rates, health benefits, a matched retirement savings plan, employee stock purchase plan and other benefits," Mr. Runyon said. "We are a people-first organization with a relentless focus on safety and look forward to meeting candidates interested in building their careers while helping us grow our business."

Mr. Runyon said visitors to this week's events should bring with them a resume. Candidates can schedule and interview or receive more information from Mr. Runyon by contacting him at drunyon@wm.com or 269-303-3004. Walk-ins will be welcome.
