night and community event taking place every Thursday evening from 5-9 pm, and running through the end of September including entertainment. This exciting initiative has been made possible through the generous funding and resources provided by Huratiak Homes and the Northampton County Department of Community and Economic Development Hotel Tax Grant Program, along with the invaluable support of Bangor Borough and Slate Belt Rising.

One of the highlights of Quarry Bites & Brews is the presence of the esteemed Richmond Farm and Brewing, which will be serving their delectable beer every week. Attendees will have the opportunity to savor a wide variety of delicious foods from the carefully curated selection of food trucks that will be part of the event. Additionally, featured wineries such as Tolino Vineyards and Clever Girl will offer their exceptional wines to complement the food truck delights.

To create a welcoming and cozy ambiance, Quarry Bites & Brews feature inviting fire pits and picnic tables, providing the perfect setting for friends and families to gather and enjoy the evening.

Janell Connolly, the event's marketing and operations coordinator, expressed her excitement about the event, saying, "We are thrilled to bring Quarry Bites & Brews to Downtown Bangor Borough and help Justin (of Huratiak Homes, LLC) realize his vision for this property in Bangor Borough. We are grateful to Huratiak Homes, Bangor Borough, and Slate Belt Rising for their invaluable support. This family-friendly event will provide an exceptional opportunity for our community to come together, indulge in mouthwatering food and drinks, and enjoy an evening filled with music and good times."
