Heritage Center to Participate in Passport to History Month

The Slate Belt Heritage Center will be participating in the Passport to History events during the weekend of August 21 and 22. Historical sites throughout the Lehigh Valley will be showing off their unique places during the entire month, and the Heritage Center will be joining the fun. The Center will be open from 12 – 4 on both days, and will have demonstrations happening during that time. Visitors on Saturday will be able to view spinning and weaving, carved wooden Christmas ornaments, wheat-weaving, and see a powerpoint on the quarry restoration project. Sunday visitors will be able to see the restored quarry hoist running, in addition to the other demonstrations. Tours of the Center will also be available. A complete listing of the historical sites and location maps may be found at lvhistory.org/passport-to-history-month/. So, mark your calendars and please join us at the Heritage Center for a weekend of discovery. The Slate Belt Heritage Center is a 501©3 organization devoted to the preservation and education of the

culture of the area.

COVID-19 Drive-through vaccination and testing center
 Lamont McClure and Lehigh Valley Hospital-Coordinated Health Allentown Hospital (LVH-CHA) remind Northampton County residents that the drive-through center at 3100 Emrick Blvd. in Bethlehem Township offers both testing for COVID-19 and vaccinations. Hours of operation are Monday/Wednesday/Friday from 10:00AM – 2:00PM and Tuesday/Thursday from 2:00PM – 6:00PM. Vaccinations are by appointment only and are only available for Northampton County residents ages twelve and over. Patients can choose from all three available vaccines: Pfizer, Moderna and Johnson & Johnson. Pfizer and Moderna require two shots administered three weeks apart, Johnson and Johnson requires only one dose.

"Recent infection data shows the pandemic isn't over yet," says Lamont McClure. "I encourage everyone to get vaccinated and, if you begin showing symptoms, to get tested for COVID-19. Vaccines and testing offer us the best chance of decreasing the risks from this virus."

To make an appointment for a vaccine at the COVID-19 testing site use one of the following options:

Schedule at the LVHN website at LVHN.org/appointments.

Schedule on the MyLVHN patient portal, at MyLVHN.org.

Call 833-584-6283 (833-LVHN-CVD). The COVID-19 Vaccine Hotline is open Monday-Friday 8:30 a.m.-5:30 p.m. and Saturday-Sunday 9 a.m.-5 p.m.

A Physician's order is not required for a COVID-19 test. The drive-through site is open to everyone, but only residents of Northampton County will have the cost of testing covered by the County if they do not have health coverage. All testing will be through HNL Lab Medicine unless insurance requires an alternate laboratory. Participants should bring a photo ID and their insurance card, if they have one, with them to the testing site.
